

CD Aviation Services Receives AMT Diamond Certificate of Excellence

Neosho, Missouri – January 8, 2009 - CD Aviation Services (CDAS), an industry-leading turbine engine maintenance facility, was awarded the Aviation Maintenance Technician (AMT) Diamond Certificate of Excellence in recognition of participation and dedication to continuing aviation maintenance training. One hundred percent of eligible CDAS employees participated in the 2008 AMT Awards Program and each were presented with individual awards, including nine Phase IV Ruby Awards for Don Carr, Darren Thoreson, Ed Martinez, Bill Dorgan, Mark Ballinger, Adam Row, Tim Forker, Kenny Sanderson and Danny Moore.

In making the announcement today, Rick Gibbs, CDAS General Manager, stated, "I am glad to announce that we have accomplished the FAA AMT Company Diamond Award two years in a row. We had 100 percent participation from all of the mechanics who received the Ruby Award and we consider this an outstanding achievement in the aviation industry. CD Aviation will continue to participate in the 2009 AMT awards program." For additional information on the Aviation Maintenance Technician Awards Program, refer to FAA AC 65-25D which is available on the FAA website at www.faa.gov.

CD Aviation Services is a Honeywell Authorized Service Center that performs maintenance on the Honeywell TPE331-1 thru TPE331-12 series and TFE731-2 thru TFE731-60 series aircraft engines, as well as GTCP 30 & 36 series and RE 100 & 220 series APU engines. These Honeywell engines and APU's can be found on such aircraft as the Fairchild Metro/Merlin, Commander, Dornier 228, Jetstream, Beech, Mitsubishi, Casa, Lear, Challenger, Cessna, Dassault, Gulfstream and Sabreliner. With locations in Neosho, Missouri and Calgary, Alberta Canada, as well as a European Sales and Support office based in Sweden, CDAS is able to provide economical maintenance solutions globally through its facilities and field service team.
