WELCOME TO SILVERSKY

CD Aviation Services introduces SilverSky, the Customer Service Experience that provides you, the customer, with benefits such as:

- Tracking the progress of your engine anytime, anywhere via www.cdaviationservices.com
- Secure log-in and password to view the full spectrum of all past and current engine events
- Comprehensive receiving and tear down reports, including pictures and associated documentation

When you hear the words value, integrity, quality and service, we hope you think of CD Aviation Services. We are a Honeywell Authorized Service Center providing the highest level of professional maintenance services for a variety of the TPE331, TFE731 and APU engine series. With locations in the US, Canada and Europe, CD Aviation Services focuses on delivering the most convenient, timely and cost effect maintenance solutions.

For additional information or to schedule a live SilverSky demonstration, please contact:
